PCSSD ALE School-Based Screening Committee

Exemplary practice 7.1 from the National Alternative Education Association states, “The alternative education program has a Screening Committee to ensure that the alternative placement is most appropriate for the student’s specific academic, behavioral, life skill, service coordination, transitional and vocational needs (individual student, individual placement decision).”

All schools should create a Screening Committee at the beginning of each school year. The responsibility of the Screening Committee shall be as follows:

- To determine eligibility of students for ALE
- Ensure that interventions are implemented before submitting students to ALE
- Consider the appropriateness of interventions
- Provide option for students unsuccessful in a traditional school setting
- Ensure that Behavior Contract follows student to ALE
- Meet with student and inform student of consideration for ALE
- Ensure that due process is followed
- Ensure parents are aware of possible placement

The Screening Committee shall be comprised of: Teacher, Parent, Counselor, Administrator, Director/Central Office, and ALE Administrator/Learning Academy Representative, Deputy Superintendent for Academic Accountability or Designee.

* It may be convenient for schools to operate or integrate this committee through established RTI committees located within the school.
